Making BC Disability Research a Priority

Greetings!

Greetings!

Welcome to August. We hope everyone is staying cool in this hot weather. This month we are featuring our upcoming conference which will be held Oct. 8-9, 2009 at the Westin Bayshore Vancouver. The full agenda will soon be available on our website. Please save the dates!

I'd like to say a fond 'adieu' to the members of the DHRN. Over the last 3 years I have learned a great deal from you; your engagement and enthusiasm for disability-health related research, and your commitment to exchange ideas across disciplines, backgrounds and areas of disability have been very inspiring. I'm leaving my position as Director of Programs this month; and will be working with Community Living BC as their first Family Partnership Advisor.

I'd like to publicly express my thanks to the wonderful DHRN team - co-leaders Dr.'s Lawrence Berg, Chris McBride and Bonita Sawatzky, as well as our Advisory Committee and great staff members. I will look forward to getting my future updates on disability health related activities via this monthly e-letter, the LINK newsletter (newest addition coming to a mailbox near you) and checking out the new website at www.dhrn.ca. PS: Keep an eye out for the DHRN Director of Programs posting coming to the website any day now.

Best wishes,
Sylvie
