Thanks for attending the **DHRN 2nd Annual Graduate Student Conference** January 19, 2009

January's conference was a great opportunity for networking, workshoping and learning about exciting Graduate Student research at the Blusson Spinal Cord Centre!

Special thanks to our keynote speakers, presenters and facilitators:

[Janice Ollerton](#), University of Western Sydney, Australia, "The Penrith Photo-voice Project" and inclusive disability research methods.

[Chris Molineux](#), Comedian and Public Speaking Coach, who shared his expertise in effective public speaking and public presentation skill-building, in research and community settings.

[Len Atwood](#), PowerPoint Expert: "Making Your PowerPoint Really Deliver"

[Jennifer Jasper](#) and [Desirée Mou](#): Networking facilitators

Also, thank you to those who participated in our Show n' Tell Presentations and Poster Display.

The following participants were selected by our Keynote speakers for their presentations:

For best PowerPoint Slide presentation:

Mineko Wada- "Perceptions of Balance of Dual-Income Parents" (Slide #10).

For best Poster presentation:

Grace Boutilier- "The Segway Personal Transport: Alternative Mobility?" (Poster #12)

Job Opportunity with the DHRN
Communications Officer

Location: UBC Okanagan (Kelowna, BC)
Contract: Full-Time Position (5 days per week)
March 1st to September 30th, 2009
(possibility of extension, dependent on grant funding)

Deadline: February 16, 2009 or until position is filled

Details: The Communications Officer will be responsible for coordinating many DHRN program productions and events, and maintaining the website, including updates and content editing.

Qualifications & Experience

- Undergraduate degree in a relevant discipline required (communications, marketing, public relations or journalism preferred).
- Minimum of 3 years related experience, or the equivalent combination of education and experience.
- Experience with Disability health related work or life experience desirable.

Application Process

Please submit an electronic cover letter, a brief writing sample (200 word maximum) and a CV by the deadline date of February 16th, 2009 to Sylvie Zebroff, Director of Programs, at dhrn.info@ubc.ca.

For more information: [DHRN Communications Officer](#)

Disability and the Arts

Theatre Terrific Presents:

"The Glass Box"

The Glass Box follows a 54-year-old wife and mother, a 23-year-old woman living with quadriplegia and a 32-year-old man with Down Syndrome who find themselves trapped in an off-beat talk show. They are given the chance to be the iconic figure of their fantasies.

Theatre Terrific is a theatre company whose mission is to provide opportunities to transform lives through the power of theatre. They envision a world where the artistic voice of disabled artists is seen, heard, challenged and respected.

Dates: February 19th through February 28th

Location: Vancouver, B.C.

Playwright's Theatre Centre Studio, 3rd Floor, 1398 Cartwright St, Granville Island.

Tickets: call 604-684-2787 or online at www.ticketstonight.ca

For more information on Theatre Terrific visit: <http://www.theatreterrific.ca/>

Population Data BC

Save the Date: March 17-18, 2009 for Population Data BC Launch!

The team of Population Data BC would like to let you know about some of our recent successes and upcoming projects. As we get closer to our launch of services, we've hosted a few public events in order to raise awareness about PopData, but more importantly to gather input from researchers as to your needs when it comes to data access, training and education.

Community Living Research Project

The Community Living Research Project is based in the School of Social Work at the University of British Columbia. In the fall of 2005, the Project began exploring Community Living supports and services for adults (19+ years) in four general topic areas: young adults transitioning from high school, residential alternatives to group homes, non-residential supports, and services for seniors. We invite you to visit our website <http://www.communitylivingresearch.swfs.ubc.ca/> where you can download a range of documents.

Interprovincial Directory of Researchers

The Interprovincial Directory of Researchers is a multi-disciplinary, multi-institutional and bilingual directory of researchers working in Canada. The Directory can be used to locate researchers with specific expertise and interests, and facilitate networking between researchers.

United Nations Enable - The Division for Social Policy and Development of the United Nations Secretariat in New York is the focal point within the United Nations system on matters relating to disability. It is also

the focal point for activities related to global social development, to youth, older persons and the family. The Division for Social Policy and Development works closely with major international non-governmental organizations dealing with disability issues and supports technical co-operation activities, which are jointly prepared with them. In addition, the Division organizes or collaborates in international expert meetings on disability matters. <http://www.un.org/esa/socdev/enable/>
